POST COLORS

● Post colors are now available in four qualities—two silk and two wool, at a wide range of prices within the reach of every American Legion Post. Both grades of silk flags are made to the same rigid specifications and are identical in every respect with the exception of the weight of the silk. Grade 1 flags are made of heavy U. S. Government quality banner silk. Grade 2 flags are made of the same quality silk, identical in appearance but slightly lighter in weight. The equipment, workmanship and appearance of both grades are identical.

SPECIFICATIONS

SIZE—All post banners and U. S. flags are 4 1/3 x 5 1/2 feet in size.

DESCRIPTION—Silk U. S. flags are made with embroidered stars and sewed stripes. Wool U. S. flags are made with sewed stars and sewed stripes. Silk Post banners are made of double thickness material with the emblem and lettering executed in pure gold leaf. Grade A wool Post banners are of double thickness material with a painted (oil-color) insignia with gold sateen appliqued lettering. Grade B wool Post banners are identical except that they are single thickness material. The emblem and lettering appear on both sides with the inscription reading reversely on the back. The double emblem, however, is reproduced (oil-color) on both sides.

MOUNTING—All flags and banners are trimmed on three sides with 2" yellow silk bullion fringe and ornamented with a pair of 6" yellow silk tassels with 9' of yellow silk cord. Each flag is mounted on a 9' polished antique oak pole fitted with a double brass screw joint and surmounted with a 6" solid brass eagle. The equipment furnished with all silk and wool flags is identical in quality and consists of a heavy russet leather carrying belt, oil cloth rain cover, interlined with heavy canvas.

NOTE — Lettering instructions should be printed or typed to avoid errors in spelling.

Both grades of wool flags are likewise made to the same rigid specifications and are identical in every respect with the exception that the Grade B flag is single thickness instead of double thickness material. Both are made of U. S. Government quality wool hunting.

STREET FLAG SETS

● The proper display of the American flag on legal holidays and other appropriate occasions, is a distinct contribution to Americanism. Many Posts have included the sale of U. S. street flag display sets to their local merchants as a part of their Americanism program. Your Post can undertake this worthwhile program either with or without a profit. These attractive street flag sets are available in several different combinations, with either the U. S. or Legion flag. Each has been specially selected for quality and durability and in addition, each set is specially priced. To facilitate the efforts of your Post in this worthwhile activity, we offer herewith a suggested plan of procedure which can be varied to meet the particular requirements of your Post.

SUGGESTED PROGRAM

Appoint a special committee of five or more members of your Post to take over the details of inaugurating and carrying out a flag sales program. Teams can be organized to call on each of your local merchants in the business section and offer him a complete flag set, installed. Quotations can be secured in advance for the actual installation of the sidewalk holders and if your Post desires to raise funds for some special activity a nominal amount can be added to the installed cost of each flag set. As in every other campaign, your success will depend entirely upon the thoroughness of your organization, and the individual efforts of your committee which accordingly should be carefully selected.

SPECIFICATIONS

Flags size three by five feet are best adapted for street display. Likewise, high-grade cotton material is the most practical, because of the limited use to which street flag sets are put. In addition, two types of poles lend themselves best under these circumstances—both two piece, one in wood and the other in steel. In each instance, the sets priced below have been carefully selected, and are specially recommended. However, other combinations will be quoted upon application.

The regulation Post cap is now available in two grades—A and B. Both are made to the same rigid specifications and are identical in quality and workmanship. The Grade B cap, however, is unlined, and is made with a less expensive sweat band. Otherwise, the two caps are identically the same in appearance, lettering, materials, etc. The big majority of cap orders involve small quantities and as a result, a flat schedule of prices applies this year regardless of the number of caps ordered. This flat price schedule will, therefore, provide the maximum saving to each individual purchaser. *Two-week delivery.*

PAST OFFICERS' CAP & UNIFORM INSIGNIA

Size $2\frac{1}{8}$ " x $2\frac{5}{8}$ ". Available for all Past Post, District, Department and National officers.
PRICE \$2.50 each

This official Past Officers' cap and uniform insignia is an enlarged reproduction of the official Past Officers' lapel button. Beautifully executed in a striking combination of silk embroidery and genuine gold bullion, on a background of gold cloth.

PAST OFFICERS' CAP REGULATIONS—Recent cap regulations adopted at the May, 1937, meeting of the National Executive Committee require that all District, Department and National Officers shall, upon retirement, revert to the standard all-blue type of Post cap, with either the Style 1 or Style 2 form of inscription (see page 33), with the official Past Officers' cap insignia of the proper rank applied on the right hand side. As an example, a Department Commander, upon retiring, would discontinue using his special all-white cap, and revert to the all-blue cap, with the official Past Department Commander cap insignia applied on the right hand side. County Officers, however, are authorized to add the word "Past" to the present officers' embroidered title, on the right hand side of the special County cap.

PRESENT OFFICERS' CAP & UNIFORM INSIGNIA

Size 3 " x $1\frac{1}{8}$ ", each carries the title "Commander," "Vice-Commander," etc., in gold silk embroidery against a background of blue silk, which is the official Post color, and which, therefore, eliminates the necessity of including the word "Post." The edge or border is beautifully done in genuine gold bullion. Every American Legion Post should provide its officers with a set of these attractive Post Officers' cap and uniform insignia.

PRICE \$1.00 each

The official present officers' cap and uniform insignia is beautifully reproduced in a combination of silk embroidery and gold bullion. Each is an enlarged reproduction of the top bar on the standard Post Officers' ceremonial badge. This attractive officers' insignia is available for all Post officers, as follows:

<i>Commander</i>	<i>Vice-Commander</i>	<i>Adjutant</i>
<i>Finance Officer</i>	<i>Treasurer</i>	<i>Chaplain</i>
<i>Judge Advocate</i>	<i>Sergeant-at-Arms</i>	<i>Historian</i>
<i>Service Officer</i>	<i>Athletic Officer</i>	<i>Executive Committee</i>

This type of insignia is made only for present officers, and is not available for Past Officers. The official Past Officers' cap insignia is illustrated at top of this page.

THE LEGION'S UNIFORM PROGRAM !

It has been said that a uniformed Legionnaire is a permanent Legionnaire. Uniforms will, therefore, materially stabilize the membership of your Post. Get back of the Legion uniform program solidly by immediately appointing your local uniform dealer, and by organizing a Post Uniform Committee. We have outlined below a suggested uniform plan for your Post which, if followed, will achieve amazing results in even a limited time.

A PLAN FOR YOUR POST!

1. Appoint a Post uniform committee, who will select, with the approval of the Post, a local uniform dealer. Send the dealer's name directly to the Emblem Division, and we will do the rest.
2. Get your uniform committee and every Post officer into uniform, for it will do more than any other one thing to promote the sale of uniforms to your entire membership.
3. With the co-operation of your local banks, inaugurate uniform savings clubs whereby individual members can make weekly or monthly deposits until cost of the uniform has been accumulated.
4. Publicize your uniform program through local newspapers, radio stations, etc. Periodically send bulletins or postal cards to your entire membership reporting on your program.

Special Note: Certain Departments because of existing uniform contracts, are continuing their own individual uniform programs. If your Post is not informed on this point, write your Department Adjutant, or State Uniform Chairman for full details.

UNIFORM SPECIFICATIONS:

The official Legion uniform is two piece, consisting of a military style coat with trousers to match.

Details—Material: 14½ to 15-ounce blue serge, moth-proofed and cold water shrunk, or tropical worsted (light weight), or Legion blue Palm Beach. **Trimmings:** Each uniform is furnished complete with state seal on left shoulder, two 1¼" silk embroidered Legion collar emblems, one on each lapel, and gold-plated American Legion uniform buttons, enameled in colors.

PRICE—Standard weight (14½-15½-oz.) serge, complete with belt as illustrated, \$28.00
Tropical worsted (light weight), complete with belt as illustrated, 27.00
Palm Beach, complete with belt as illustrated, 21.00

NOTE—Caps, metal Post numerals, special embroidery, Sam Browne belts, etc., extra if desired, at small additional cost.

Uniforms are not sold direct by the Emblem Division—they must be ordered by the local uniform dealer to be appointed by your Post. In each instance, the regulation Legion uniform conforms strictly to your state uniform specifications, insofar as state shoulder seals, and individual stripings and markings are concerned.

If your Post has any special problems in its uniform program, or if you want additional informa-

tion, write directly to the Uniform Department at National Headquarters, who will give your problem individual study, and special assistance will be rendered without charge.
